FASCICLE II.

DISTRIBUTED BY A. H. CURTISS IN 1878.

Clematis Catesbyana, Pursh.	Rhexia Mariana, L. var. lan-	Ipomoea Bona-Nox, L.	Yucca filamentosa, L. ^{fr. walt.}
Magnolia grandiflora, L. +	ecolata, Walt. (sp.)	sagittifolia, Bot. Reg.	Juncus dichotomus, Ell.
Asimina pygmaea, Dunal.	stricta, Pursh.	Dichondra repens, var. Caro-	Elliottii, Chapm.
Cabomba Caroliniana, Gray.	lutea, Walt.	linensis, Choib.	marginalis, Rostk. var. bi-
Nasturtium	Lythrum lineare, L.	Solanum rostratum, DuRoi.	florus, Ell. (sp.)
tannetifolium, H. & Arn.	Mentzelia Florida, Nutt.	sisymbriifolium, Lam.	scirpoides, Lam., var. mac-
Leavenworthia	Passiflora incarnata, L. —	aculeatissimum, Jacq.	rostemon, Engelm.
Michauxii, Torr.	suberosa, L.	Capsium frutescens, L.	var. echinatus, Engelm.
Draba brachycarpa, Nutt.	Melothria pendula, L.	Sabbatia calycosa, Pursh.	var. polycephalus, Eng.
Drosera brevifolia, Pursh.	Eugenia monticola, DC.	Mitreola sessilifolia, T. & G.	setaceus, Rostk.
capillaris, Poir.	Hydrocotyle repanda, Pers.	Amsonia	Commelyna angustifolia, Mx.
Acyron stans, Mx.	interrupta, Muhl.	Tabernaemontana, Walt.	communis, L. ?
pumilum, Mx.	Eryngium yuccifolium, var.	Vinca rosea, L.	Xyris brevifolia, Mx.
Hypericum maculatum, Walt.	synchoetum, Gray, ined.	Asclepias paupercula, Mx.	flabelliformis, Chapm.
Stellaria prostrata, Baldw.	Bupleurum rotundifolium, L.	Michauxii, Decaisne.	Papalanthus flavidus, K'ath.
Sesuvium Portulacastrum, L.	Psychotria rufescens, H. B. K.	perennis, Walt.	Cyperus Haspan, L.
Malvastrum angustum, Gray.	Oldenlandia glomerata, Mx.	tomentosa, Ell.	ovularis, Torr.
Sida rhombifolia, L.	Elephantopus tomentosus, L.	Seutera maritima, Decaisne.	retrofractus, Torr.
Kosteletzkya Virginica, Presl.	Liatris odoratissima, Willd.	Cynodon	stenolepis, Torr.
Hibiscus grandiflorus, Mx.	Eupatorium coneifolium, Willd.	? scoparium, Chapm.	Eleocharis capitata, R. Br.
Melia Azederach, L.	feniculaeum, Willd.	Fraxinus platycarpa, Mx.	prolifica, Torr.
Zanthoxylum	Sericocarpus tortifolius, Nees.	Forestiera porulosa, Poir.	Rhynchospora Baldwinii, Gr.
Carolinianum, Lam.	Aster Carolinianus, Walt.	Oxybaphus ^{altissimus, Jacq.}	cephalantha, Torr.
Vitis vulpina, L.	Solidago angustifolia, Ell.	pythagoreus, Sweet.	fascicularis, Nutt.
bipinnata, T. & G.	pilosa, Walt.	Boerhaavia erecta, L.	var. distans, Chapm.
Berchemia villosa, DC.	Chrysopsis graminifolia, Nutt.	Rivina humilis, L.	nitens, Gray.
Sageretia Michauxii, Brongn.	Grindeia lanceolata, Gray.	Alternanthera flavescens, Moq.	rariflora, Ell.
Frangula Caroliniana, Gray.	Iva imbricata, Walt.	Præclia Florida, Moq.	Cladium effusum, Torr.
Pachystima Canbyi, Gray.	Eclipta erecta, L.	Piper leptostachyon, Nutt.	Scleria pauciflora, Muhl. var.
Polygala leptostachys, Shutt.	Borrchia frutescens, DC.	Euphorbia serpens, H. B. K.	Carex Fraseriana, Sims.
lutea, L.	Coreopsis angustifolia, Ait.	humistrata, Engelm.	glaucescens, Ell.
nana, DC.	Verbesina sinuata, Ell.	Acalypha Caroliniana, Walt.	stenolepis, Torr.
ramosa, Ell.	Leptopoda puberula, Macbr.	Croton maritimus, Walt.	Vilfa Virginica, Beauv.
Crotalaria ovalis, Pursh.	Marshallia angustifolia, Ph.	argyranthemus, Mx.	Sporobolus junceus, Kunth.
Psoralea subcaulis, T. & G.	Lactuca Canad's, var. gram-	glandulosus, L.	Muhlenbergia filipes, M.A.C.
Petalostemon foliosus, Gray.	infolia, Chapm.	capitatus, Mx.	Gymnopogon racemosus, B.
decumbens, Nutt.	Vaccinium arboreum, Marsh.	monanthogynus, Mx.	brevifolius, Trin.
Tephrosia spicata, T. & G.	Andromeda ferruginea, var.	Phyllanthus Carolinensis, Wl.	Leptochloa mucronata, Kunth
hispidula, Pursh.	fruticosa, Mx.	Ceratiola ericoides, Mx.	Eatonia Pennsylvanica, var.
chrysophylla, Pursh.	Hex Cassine, L.	Urtica chamaedryoides, Pursh.	filiformis, Chapm.
ambigua, M. A. Curtiss.	Cyrtilla racemiflora, Walt.	Parietaria debilis, Forst.	Eragrostis utida, Chapm.
Astragalus villosus, Mx.	Plantago heterophylla, Nutt.	Quercus aquatica, Catesby.	Uniola nitida, Baldw.
Aschynomene hispida, Willd.	Centunculus minimus, L.	cinerea, Mx., var. pumila.	Paspalum Digitaria, Poir.
Desmodium lineatum, DC.	Utricularia subulata, L.	lyrata, Walt.	Walterianum, Schultes.
strictum, DC.	Herpestis Monniera, H. B. K.	Phellos, L., var. arenaria.	obtusifolium, Raddi.
Vicia acutifolia, Ell.	Gratiola quadridentata, Mx.	virens, Ait.	undulatum, Poir.
Florida, Watson.	pilosa, Mx.	Pinus Taeda, L. +	Paucum serotinum, Trin.
Rhynchosia minima, DC.	Mieranthemum Nuttallii, Gr.	serotina, Mx. +	Curtisii, Chapm.
Phaseolus perennis, Walt.	Gerardia linifolia, Nutt.	Taxodium distichum, Rich'd.	hirtellum, L.
Erythrina herbacea, L.	parvifolia, Chapm.	Sabal serrulata, R. & S.	rufum, Kunth.
Centrosema Virginian., Benth.	Schwalbea Americana, L.	Adansonii, Guerns.	Setaria corrugata, Schult.
Galectia pilosa, Ell.	Ruellia riparius, Chapm.	Sagittaria lancifolia, L.	composita, Kunth.
labella, Mx.	Dianthera ovata, Walt. var.	natans, Mx.	Erianthus alopecuroides, Ell.
Cassia occidentalis, L.	Dielptera brachiata, Spreng.	Burmanna biflora, L.	Andropogon argenteus, Ell.
nitentia, L. var. aspera.	Lippia nodiflora, Mx.	Apteria setacea, Nutt.	macrourus, Mx.
Gleditsia monosperma, Wl.	Lantana Camara, L.	Calopogon multiflorus, Lindl.	var. viridis, Chapm.
Chrysobalanus	Dicerandra linearifolia, Bth.	Elletia vericunda, Swartz.	var. glaucopsis, Chapm.
oblongifolius, Mx.	Salvia coccinea, L.	Canna flaccida, Roscoe.	var. corymbosus, Chapm.
Prunus umbellata, Ell.	Stachys Florida, Shutt.	Amayllis Atamasco, L.	Polypodium incanum, Swz.
Rubus trivialis, Mx.	Heliotropium tenellum, Torr.	Pancratium rotatum, Ker.	Cheilanthes Alabamensis, Kre
Rosa laevigata, Mx.	Nemophila microcalyx, F. & M.	Crinum Americanum, L.	nierophylla, Swz.
Decumaria harbara, L.	Gilia coronopifolia, Pers.	Hypoxys leptocarpa, Eng.	vestita, Swz.
Oenothera triloba, DC.	Batatas littoralis, Choib.	juncus, Smith.	tomentosa, Link.
Ludwigia pilosa, Walt.	Ipomoea hederacea, Jacq. var.	Smilax humila, Walt.	Asplenium montanum, Willd.
microcarpa, Mx.	integriscula, Gr. ined.	Amiantium angustifolium.	Aspidium patens, Swz.
natans, Ell.	commutata, R. & S.	Allium mutabile, Mx.	Trichomanes radicans, Swz.
	Michauxii, Sweet.		Lycopodium Carolinianum, L.

Vittaria lineata, Swz.
Blechnum serrulatum, Mx.
Aspidium unitum, var. *glabrum*, Mett.
Nephrolepis exaltata, Schott.
Isoetes faccida, Shutt.

NOTE.—In this fascicle will be found 215 species and varieties, the 15 with parentheses at left of names being supplementary to Fasc. I and II. All have printed labels, and there will probably be no omissions from any of the sets. The three specific names omitted in the list will probably be supplied in the labels. Price of Fasc. III., at Cambridge, eighteen dollars.
Jacksonville, Florida, January 1, 1880.
A. H. CURTISS.

Corrections, &c., for fasc. V. of

H. H. Currier's collections.

BOTANIC GARDEN OF HARVARD UNIVERSITY,

CAMBRIDGE, MASS.

Feb 17th 1892.

- 14^x. "Then one heterophylla, Nutt.", which is
a var. of A. decapetala (A. Caroliniana)
304^x. ^{not} "Arenaria brevifolia", but A. glabra, Mx.
333^x. "Spergularia Mexicana?" is Lepigonum
gracile, Watson, in S.
400^x. ^{not} "Melochia hirsuta", but probably
only a form of M. serrata, Cav.
341^x. "Paronychia riparia" = P. Baldrimii
apparently.
473. "Colubrina Americana, Nutt.", i.e. C. fer-
uginosa, Brongn.
645^x. ^{not} "Vicia pulchella", but V. Leavenworthii
T. & G.
709. ^{not} "Cassia angusticiligna" but C. Bahamensis, HBK.
811. "Crataegus glandulosa", i.e. C. flava, Ait., var.
pubescens, Gray.
1036^x. "Leptocaulis patens", with unusually smooth
fruit.
1279. ^{not} "Aster virgatus", but A. polyphyllus, Mill.
1637. ^{not} "Lobelia leptostachys", but L. Gattingeri, Gray, n. sp.
1669^x. ^{not} "Vaccinium Cuthbertii", but Gaylussacia dumosa.
1775. "Cliftonia ligustrina", i.e. C. nitida, Banks.
2204. "Physalis angulata", = var. Linkiana, Gray.
2464^x. "Euphorbia arenaria, Nutt.", i.e. E. zygophylloides, Moiss.

2504*. *Stillingia* - var. "*lanceolata*" should
be var. *linearifolia*, Moiss.

2525-C. Nor "*Croton Cascarilla*", Lam., but
C. linearis, Jacq.

2860*. "*Sisyrinchium minus*, Engelm.", i.e.
S. geniculatum, Herb.

"196A" f. fasc. IV, "*Hyptis spiciosa*" is
H. pectinata^{dc.} var.
